

**REMARKS**

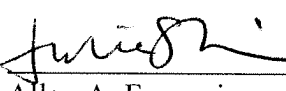

Claims 1-47 and 56-60 appear in this application for the Examiner's review and consideration. The allowance of these claims is noted with appreciation. Claims 48-55 have been cancelled without prejudice to applicants' rights to file a divisional or continuing application to the subject matter of those claims.

It is not clear from the office action that the rejection of claims 13-36 under 35 U.S.C. § 112, first paragraph as failing to comply with the enablement requirement, was overcome, but applicants submit that that rejection has been withdrawn based on the prior comments that were submitted along with the specific indication in the office action that the rejection was maintained as to claims 48-55 and that claims 1-47 and 56-60 were allowed.

In view of the above, it is believed that claims 1-47 and 56-60 are now in condition for allowance, early notice of which would be appreciated.

Respectfully submitted,
